

## WoVOCon VI Master Classes

Friday, October 18th, 2019 – 2pm-5pm PT

### **Performance:**

**Elaine Clark:** Founder of Voice One in San Francisco CA and author of “There’s Money Where Your Mouth is: A Complete Insider’s Guide to Earning Income and Building a Career in Voice-Overs” – Now in its Fourth Edition. Elaine literally wrote the book on how to build your voiceover business. Dig deeper into both commercial and narration copy. Learn from her in person!

**Mary Lynn Wissner:** Director and Founder of Voices Voicecasting, Mary Lynn Wissner, has cast the voices for thousands and thousands of TV, radio, animation, film, games, e-learning and audio book productions. Voices Voicecasting has earned the respect of producers all over the country and abroad. Learn commercial technique from one of the best in the business!

### **Business:**

“The One Page Business Plan” with Elizabeth Holmes.

Treat your voiceover business, as a business. By the end of this 4-hour Master Class, participants will have a business plan to take back to their studios and implement for the next year, and long-range planning goals for 3-5 years. The registration fee includes “The One Page Business Plan” workbook, participants will keep. This session is open to both Associate and Professional members. Registration is limited to 16 members.

**For Master Classes:** Members may NOT float between sessions and can only attend the one Master Class they register for.
